

## Demystify Democracy: A Free Vote Fraud Awareness Class!

- ✓ Do you want to know what happened during our elections in 2020 and 2022?
- ✓ Do you want to know the truth about the controversies and the fraud that occurred?
- ✓ Are you curious about how elections work and how to protect your vote?
- ✓ Ready to be an informed and empowered voter?

You're not alone! Our Vote Fraud Awareness Class requires no technical knowledge. It is designed for everyday voters like you who want to understand, engage, and safeguard the electoral process.

### What You'll Learn:

Clear nontechnical presentation of the vote fraud that occurs in our elections  
Explore simple, real-world examples of vote fraud and its impact.  
Learn voting strategies to minimize vote fraud

### Why Take This Class?

It's FREE! And the instructor, Stu Krone has done computer investigations for many years and is certified. You will get a clear unbiased view of what has been happening during our elections. This class will help you to Protect Your Vote, and be a Champion for FAIR Elections.

Your vote is your voice, and it deserves to be heard! Join our Vote Fraud Awareness Class to demystify democracy, protect your rights, and become an informed guardian of the electoral process.
